
Steps for paper submission for the 33rd International Summer School for Kinesiologists

1. Make Submission (CLICK)

2. Filling in data:

- a) Consent - confirm in the box
- b) Submission title:
- c) Author(s): (Authors:)
 - information about the authors (name, surname, institution, country, email)
 - in case there are more than three (3) authors on the work, click on: Add Author
- d) Contact Author - choose an author for correspondence (Author 1, Author 2, ...)
- e) Topic Areas – choose the section (field) for which the paper is submitted
 - choose type of presentation
- f) Content
 - Keywords: copy key words from the paper in Croatian OR English
 - Abstract: copy the abstract of the work in Croatian OR English
- g) Password
 - create your password, which you will need when uploading work in the future step (it is important to remember the password)
- h) Comments
 - you can leave it blank or add something if you consider it important

* After filling in the data, click on Make Submission.*

3. After completing the application, your email will receive a Submission ID (for example: 47)

4. The next step is to upload the file using the field Upload file (<https://www.openconf.org/InternationalSummerSchoolforKinesiologists/author/upload.php>) on the front page: OpenConf Home (<https://www.openconf.org/InternationalSummerSchoolforKinesiologists/openconf.php>)

5. In the Submission ID field, enter the number assigned to you during registration, and in the Password field you enter the password you created yourself. In the File field in word format (.doc or .docx) you enter your paper.

AFTER UPLOADING THE FILE, CHECK IF IT IS IN THE SAME FORMAT AS IN THE DROP-DOWN MENU BESIDE (ON THE RIGHT SIDE) (.doc or .docx). ADJUST THE FILE TYPE IN THE RIGHT COLUMN (FORMAT) AS IN THE LEFT COLUMN. IF THE FILE TYPES DO NOT MATCH, IT IS NOT POSSIBLE TO SEND THE WORK AND YOU MUST REPEAT EVERYTHING FROM STEP 4.

After filling in, click on Upload File.

After uploading the file, a notification will appear on the screen that the file has been uploaded successfully.

It is necessary to monitor the review status of your submitted paper via the Check Status field

(<https://www.openconf.org/InternationalSummerSchoolforKinesiologists/author/status.php>)

on the front page: [OpenConf Home](https://www.openconf.org/InternationalSummerSchoolforKinesiologists/openconf.php) (<https://www.openconf.org/InternationalSummerSchoolforKinesiologists/openconf.php>).

You log in using your Submission ID, which was assigned to you during registration, and a password that you created yourself.

1. If the status is **pending**, the review has not finished yet.
2. If the status is **accepted**, your work has been accepted and you can see the reviewer's comments. You will also receive a notification by e-mail about the status of acceptance of the work.
3. If the status is **rejected**, your work has been rejected and you can see the reviewer's comments.

4. If the status is **conditionally accepted**, your work has been accepted with corrections that you must make. You can see the changes that are needed in the reviewer's comments. **After making the required corrections, you must upload the file to the database again via the Upload file link**

(<https://www.openconf.org/InternationalSummerSchoolforKinesiologists/author/upload.php>) You upload the file with an existing Submission ID and password. After your work is reviewed again, you will receive feedback as under 2.
